Forecast for Friday 07 Apr 2023

Weather: A cold start with frost and some mist and fog patches in the valleys. These clearing quickly to give a mostly sunny morning. Patchy fair weather cloud developing by the afternoon, but still with plenty of sunshine. Turning colder with clear skies into the evening.

Chance of cloud-free hill tops above 600m: 100%.

Low cloud and visibility: A few patches of low cloud in the morning as mist and fog clears, then mostly excellent visibility with patchy cloud forming above the highest peaks through the afternoon.
